## **Please Note**

**\*DfE Regional** - These figures are based on the DfE regions. The South East figures in these reports are provisional and unpublished indicators of regional benchmarks, not official DfE data, being based on the aggregation of local authorities' data collected directly from the Primary Assessment Gateway. These regional results become more robust as more data is loaded by LAs, so are subject to change at this early stage.

**\*\*NCER National** - These figures are provisional and unpublished indicators of national benchmarks, not official DfE National data, being based on the aggregation of all local authorities' data collected directly from schools. NCER National results become more robust as more data is loaded by LAs, so are subject to change at this early stage. NCER National results have been a reliable, robust source of early data for LAs and schools when compared to DfE National data for many years.
