Lewes, Glynde &  
Beddingham  
Brass Band

# BrassSparks

BrassSparks launched in September 2022 and continues to grow! We offer young people in Lewes and the surrounding areas the chance to learn brass instruments - affordably, accessibly and in a fun, welcoming environment. Two groups run on Thursday evenings: BrassSparklers - for complete beginners, and BrassSparks for those with approximately 1 year playing experience.

## Why learn a musical instrument?

There are endless possibilities...

- Learning an instrument enhances, memory, concentration and problem-solving skills.
- Music provides a creative outlet to share emotions and build confidence.
- Play your favourite songs, join bands or orchestras and of course make new friends through music.

All abilities welcome - from complete beginners to experienced players.  
Instrument loan available.

Sessions are led by fully qualified, DBS-checked teachers.
